# The Orchard Bible Fellowship

## Our Denomination

### OUR IDENTITY

The Orchard Bible Fellowship is a body of people from all ages and backgrounds. We are joined together through God's grace and love. As a fellowship of believers, we are committed to the Bible as the word of God for our instruction, and to discipleship as His command for our lives. We are **EVANGELICAL** in that we believe in the Bible as God's inerrant word to us.

We are **FREE** in that we are independent of any authority outside of the local body of believers and the Word of God. We depend upon the active participation of pastors and lay people in the decisions and direction of the local church.

### OUR PURPOSE

We exist to glorify God by **knowing** Christ, **growing** in Christ with each other, and **showing** Christ to the world, as we build followers of Christ and equip them for service.

### OUR DISTINCTIVES

- Faithful to God's Word
- Inspiring Blended Worship
- Caring Small Groups
- Mission Minded
- Practical Teaching
- Family-Friendly Activities
- Active Youth and Children's Ministry

### THE MESSAGE

**Recognize your condition:**  
**Romans 3:23**

*For all have sinned and come short of the glory of God.*

**Realize the penalty for sin:**  
**Romans 6:23**

*For the wages of sin is death*

**Believe Christ died for you:**  
**Romans 5:8**

*But God demonstrated His love towards us, in that, while we were yet sinners, Christ died for us.*

**Trust Christ alone as your savior:**  
**Romans 6:23 & 10:13**

*But the Gift of God is eternal life through Jesus Christ our Lord. For whosoever shall call upon the name of the Lord shall be saved.*

The Evangelical Free church of America is more than a denomination it is an association of autonomous churches who voluntarily join together in a spiritual movement, committed to the good news about Jesus and His Kingdom.

We share a common commitment of following Jesus Christ as the Lord of our lives, our ministries, our families and our churches. He is the Head of the church which is His Body.

We do not desire to build merely a large human organization but instead to be involved in building the eternal Kingdom of God. We enjoy fellowship with Christian brothers and sisters of many backgrounds, cultures and nationalities who embrace the Lordship of Jesus Christ; the desire for holy living; and the commitment to be set free by Christ day by day.

The Evangelical Free Church of America is growing to include a beautiful mosaic of every generation and region of the United States, representing a variety of ethnic, racial and cultural peoples. Our churches comprise a graphic example of the Biblical principle of diversity with spiritual unity.
